

SUMMER SCHOOL

Purpose

Conducting summer school classes.

Scope and Applicability

This policy applies to the regular school program

Policy

Summer School will be established annually.

The Franklin Summer School will offer an extensive selection of courses in all major academic fields. Course offerings are grouped into three categories based on the student's purpose for study. Courses carrying academic credit are given for the purpose of acceleration or for make-up credit. Noncredit preview or enrichment courses are also offered as are remedial courses.

Objectives of the Program

It is the intention to meet the individual needs of each student, as well as these of the larger community. A systems approach to instruction is utilized. The objectives of the Franklin Summer School are:

- a) To provide students the opportunity to:
 - 1. Remedy deficiencies in problem areas.
 - 2. Make up credits lost during a previous school year.
 - 3. Preview a subject to be taken the following school year.
 - 4. Gain additional background in a subject area now being pursued.
 - 5. Accelerate in requirements for a high school diploma
 - 6. Provide opportunities for students to explore and/or learn about subject areas not part of the regular curricula.
 - 7. Participate in academic support groups (MCAS)

- b) To provide adults with the opportunity to accumulate credits toward a high school diploma

- c) To provide all members of the community the opportunity to explore academic areas of interest or concern
