

STUDENT POLICIES GOALS

The student is the focal point of all operations of a school system.

The School Committee will foster an environment that contributes to the very best learning achievements for each student through meeting the following goals regarding students:

- To recognize different learning styles in order to provide appropriately for students according to their specific background, capabilities, learning styles, interest, and aspirations.
- To protect and observe the legal rights of students.
- To enhance the self-image of each student by helping him/her feel respected and worthy through a learning environment that provides positive encouragement through frequent success.
- To provide an environment in which students can learn personal and civic responsibility for their actions through meaningful experiences as school citizens.
- To deal with students in matters of discipline in a constructive manner.
- To promote personal success through regular attendance.
- To promote an understanding and appreciation for the cultural diversity of all students.
