

RELATIONS WITH BOOSTER ORGANIZATIONS

The School Committee recognizes that the endeavors and objectives of booster organizations and similar groups can be a valuable means of stimulating interest in and endorsement of the aims and achievements of our public school system.

Generally, actions initiated by boosters promote an atmosphere and climate that fosters and encourages community-school relationships.

Booster proposed plans, projects, or activities must be evaluated by the Principal in light of their stated contribution to the academic, athletic and fine arts programs of the schools. Care must be taken to avoid compromising or diluting the responsibilities and authorities of the School Committee. Booster clubs will not fund coaches or advisors.
